**NEW FUNDRAISER -**

Cass County Relay for Life team, "Bronson's Brigade" is having a car wash June 19th at the Plattsmouth State Bank Drive-In facility on Chicago Avenue from noon to 3:00 PM. All proceeds will go to the American Cancer Society Relay.

Dear Survivors,

I'm writing to extend an invitation to participate in the American Cancer Society 2010 Relay for Life of Cass County. It will take place on Saturday, June 26, 2010 at Plattsmouth High School. The planning of this annual event, which is in its 15th year, begins a month after the previous Relay. It's a huge undertaking but a labor of love for all of our committee members. We want to help the American Cancer Society help all of you and your families in so many ways.

As cancer survivors you are what the Relay For Life is all about - you all are basically the "heart" of it and the reason we all work so hard to make it better every year. I became increasingly involved over the last several years because of my history with cancer (I'm a two time breast cancer survivor -and very proud of it!). Some of my fellow committee members are also survivors and of course we have all been touched by cancer involving loved ones as well.

What I'm asking of you is simple. Please plan to attend the Relay even if only for a short time. We need the opportunity to honor you with a survivor dinner at 5:30 PM (one caregiver for each survivor is also invited) and the celebratory survivor lap at 7 PM which is the start of the twelve hour event. I consider it a privilege to walk alongside all of you. Our goal is to honor 100 (men, women & children) survivors this year. Please keep in mind, we are not limited to only Cass County residents. We are reaching out to survivors near and far.

I ask that you either call our American Cancer Society Staff Partner, Megan Maryott at 1-402-393-5801 X70770 or logon to [www.relayforlife.org/casscone](http://www.relayforlife.org/casscone) and select "Sign Up As A Survivor" and complete the registration - there is no charge for survivors. We are running out of time so please do it soon. If necessary you can register at the Relay that evening too!

It's that simple - will you do it? It won't be quite the same without you!

Very Gratefully,

Jan Young
