Weeping Water School Recycling Kick-off!

The recycling trailer for Weeping Water School will be delivered Tuesday, March 8, 2011 with a ribbon cutting event at 10:00 a.m.

The school felt they will be able to recycle much of what currently goes into their trash. This will reduce their trash bill to help off-set the cost hauling the trailer as well as reducing what is taken to our landfills.

Do you remember....just a few short years ago, when the citizens of Cass County were concerned about a landfill locating in our county?

If you don't want a landfill next to your house.....RECYCLE!
