Big Legal Issues for the Small Business Owner

Small business owners are subject to the same laws and regulations as large corporations; however, often times with a fraction of the resources. Even if you are starting out on a small level and planning to grow, you must comply with the business laws and regulations from the day you open for business. By attending this workshop, current and aspiring business owners will learn steps needed to start their business and avoid legal issues in variety of areas of law, including: advertising law, employment and labor law, finance law, intellectual property, online business law, privacy law, environmental regulations, Uniform Commercial Code, foreign worker eligibility, and workplace safety.

Saturday, April 16, 2011
2-4 p.m.
